

ELSEVIER SUBSCRIPTION AGREEMENT

This agreement ("Agreement") is entered into as of 5 February 2009 by and between **The Regents of the University of California on behalf of The California Digital Library**, University of California Office of the President, 415 20th Street, 4th Floor, Oakland, CA 94612, USA (the "Subscriber"), and **Elsevier B.V.**, Radarweg 29, 1043 NX Amsterdam, The Netherlands ("Elsevier").

The parties hereto agree as follows:

SECTION 1. SUBSCRIPTION.

1.1 *Subscribed Products.*

Elsevier hereby grants to the Subscriber the non-exclusive, non-transferable right to access and use the products and services identified in Schedule 1 ("Subscribed Products") and provide the Subscribed Products to its Authorized Users (as defined herein), which rights are worldwide with respect to off-campus remote access by Authorized Users and perpetual as described in detail on Schedule 1 regarding access to formerly subscribed titles and archival print copies (which rights survive the termination of this Agreement), all subject to the terms and conditions of this Agreement.

1.2 *Authorized Users/Sites.*

Authorized Users are the full-time and part-time students, faculty, staff, researchers, and independent contractors of the Subscriber affiliated with the Subscriber's locations listed on Schedule 2 (the "Sites") and individuals using computer terminals within the library facilities at the Sites permitted by the Subscriber to access the Subscribed Products.

1.3 *Authorized Uses.*

The Subscriber and its Authorized Users may:

- access, search, browse and view the Subscribed Products;
- print and download a reasonable portion of the Subscribed Products;
- incorporate links to the Subscribed Products on the Subscriber's intranet and internet websites, provided that the appearance of such links and/or statements accompanying such links shall be changed as reasonably requested by Elsevier;
- incorporate links to the Subscribed Products in electronic coursepacks, reserves and course management systems; and
- upon notification by Subscriber that it wishes to initiate the service as describe below (the "Transactional Service"), access, search, browse, view, print and download articles from all journals and chapters from a selection of books which are accessible on the ScienceDirect® online service but are not subscribed to as part of the Subscribed Products, with each twenty-four (24) hour access period for a selected article or chapter, a "Transaction".

The Authorized Users may:

- transmit single journal articles and book chapters from the Subscribed Products to other Authorized Users and to third-party colleagues for their scholarly or research use.

CW

The Subscriber may:

- print and deliver journal articles from Subscribed Titles (as defined herein) and, if any, book chapters from the Subscribed Products to fulfill requests as part of the practice commonly known as “interlibrary loan” from non-commercial libraries located within the same country as the Subscriber including through use of Ariel®, or similar secure electronic transmission software (provided Subscriber continues its practice of printing and scanning for this purpose).

1.4 *Restrictions on Use of Subscribed Products.*

Except as may be expressly permitted in this Agreement, the Subscriber and its Authorized Users may not:

- abridge, modify, translate or create any derivative work based on the Subscribed Products without the prior written permission of Elsevier, except to the extent necessary to make them perceptible on a computer screen to Authorized Users;
- remove, obscure or modify in any way any copyright notices, other notices or disclaimers as they appear in the Subscribed Products; or
- substantially or systematically reproduce, retain or redistribute the Subscribed Products.

1.5 *Intellectual Property Ownership.*

The Subscriber acknowledges that all right, title and interest in and to the Subscribed Products remain with Elsevier and its suppliers, except as expressly set forth in this Agreement, and that the unauthorized redistribution of the Subscribed Products could materially harm Elsevier and its suppliers.

SECTION 2. ELSEVIER PERFORMANCE OBLIGATIONS.

2.1 *Access to Subscribed Products.*

Elsevier will make the Subscribed Products accessible to the Subscriber and its Authorized Users from the World Wide Web address set forth on Schedule 1 or as may be otherwise set forth herein.

2.2 *Quality of Service.*

Elsevier shall use reasonable efforts to provide the Subscribed Products with a quality of service consistent with industry standards, specifically, to provide continuous service with an average of 98% up-time per year, with the 2% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service.

2.3 *Withdrawal of Content.*

Elsevier reserves the right to withdraw from the Subscribed Products content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false or infringing.

2.4 *Usage Data Reports/Confidentiality.*

Elsevier will make usage data reports on the Subscriber's usage activity accessible online on a monthly basis to the librarians/administrators employed by the Subscriber for internal use only. Such reports may be accessed by vendors or other third parties retained by the Subscriber only with the express written permission of Elsevier and for the purpose of usage analysis of the Subscriber. Elsevier will make commercially reasonable efforts to comply with the then currently valid COUNTER Code of Practice. Elsevier shall maintain as confidential and not disclose to any non-affiliated third party without the Subscriber's prior written consent or as required by law any search or other usage data except in aggregated, collective or anonymized form.

2.5 *Journal Transfer.*

Elsevier will make commercially reasonable efforts to comply with the TRANSFER Code of Practice, Version 2.0, published by the UK Serials Group (UKSG).

2.6 *Accessibility.*

Elsevier will make commercially reasonable efforts to comply with the Web Content Accessibility Guidelines 1.0 published by the Web Accessibility Initiative of the World Wide Web Consortium (W3C).

2.7 *DRM/watermarking technologies.*

Elsevier will on no less than three months notice, provide Subscriber with information about any proposed implementation by Elsevier of technical protection measures or digital rights management or watermarking technologies, by which content items in the Subscribed Products would be technically enabled or disabled with respect to electronic access, legibility, usage, distribution or privacy rights.

SECTION 3. SUBSCRIBER PERFORMANCE OBLIGATIONS.

3.1 *Authorized Access.*

Access to the Subscribed Products shall be authenticated by the use of Internet Protocol ("IP") address(es) indicated by the Subscriber on Schedule 2 and/or usernames and passwords and/or a delegated authentication mechanism, identified on Schedule 2, requiring at least two different credentials.

3.2 *Protection from Unauthorized Access and Use.*

The Subscriber shall use reasonable efforts to:

- ensure that access to and use of the Subscribed Products is limited to Authorized Users and that all Authorized Users are notified of and comply with the usage restrictions set forth in this Agreement;
- ensure that any passwords or credentials used to access the Subscribed Products are issued only to Authorized Users and that neither the Subscriber nor its Authorized Users divulge any passwords or credentials to any third party; and
- immediately upon becoming aware of any unauthorized use of the Subscribed Products, inform Elsevier and take appropriate steps to ensure that such activity ceases and to prevent any recurrence.

In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend the access and/or require that the Subscriber suspend the access from where the unauthorized use occurred upon notice to the Subscriber. The Subscriber shall not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the Subscriber did not intentionally assist in or encourage such unauthorized use or permit such unauthorized use to continue after having actual notice thereof.

SECTION 4. FEES AND PAYMENT TERMS.

The Subscriber shall pay to Elsevier the fees set forth in Schedule 1 (the "Fees") as follows:

- the Fees for 2009 to be paid by 28 February 2009; and
- for each subsequent year by 15 December of the year prior (e.g. by 15 December 2009 for the year 2010).

The Fees shall be exclusive of any sales, use, value added, withholding or similar tax and the Subscriber shall be liable for any such taxes in addition to the Fees unless the Subscriber is entitled to exemption from taxation and provides to Elsevier appropriate documentation of its tax-exempt status upon Elsevier's request. If the Subscriber disputes, in good faith, any amount on Elsevier's invoice, the Subscriber shall provide written notice of the dispute to Elsevier along with full supporting documentation within ten (10) business days of invoicing, and the Subscriber and Elsevier will use all reasonable efforts to resolve and settle such dispute within ten (10) business days thereafter. Once the invoice dispute is resolved and settled, the Subscriber will pay the amount due within thirty (30) days following resolution of dispute.

SECTION 5. TERM.

5.1 *Term.*

The term of this Agreement shall commence on 1 January 2009 and continue until 31 December 2013.

5.2 *Renewal.*

This Agreement will be automatically renewed for successive one-year terms, subject to appropriate adjustments to Schedule 1, unless either party gives notice to the other by 1 October prior to the end of the then current term that it does not intend to renew.

5.3 *Early Termination Due To Insufficient Budgetary Allotment From Government.*

The Subscriber may terminate this Agreement if sufficient funds are not provided or allotted in future government-approved budgets of the Subscriber (or reasonably available or expected to become available from other sources at the time the Subscriber's payment obligation attaches) to permit the Subscriber, in the exercise of its reasonable administrative discretion, to continue this Agreement.

5.4 *Early Termination for Breach.*

This Agreement may be terminated (i) if the Subscriber defaults in making payment of the Fees, having failed, after thirty (30) days' notice, to remedy such default; or (ii) if either party commits a material breach of any term of this Agreement and fails to remedy the breach within sixty (60) days written notice by the other party.

SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.

6.1 *Warranties.*

Elsevier warrants that use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

6.2 *Indemnities.*

Elsevier shall indemnify, defend and hold harmless the Subscriber and its Authorized Users from and against any loss, damage, costs, liability and expenses (including reasonable attorneys' fees) arising from or out of any third-party action or claim that use of the Subscribed Products in accordance with the terms and conditions herein infringes the intellectual property rights of such third party. If any such action or claim is made, the Subscriber will promptly notify and cooperate with Elsevier. For the avoidance of doubt, the limiting provisions of Section 6.4 are not applicable to the indemnities provided in this Section 6.2. This indemnity obligation shall survive the termination of this Agreement.

6.3 *Disclaimer.*

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, ELSEVIER AND ITS SUPPLIERS PROVIDE THE SUBSCRIBED PRODUCTS "AS IS" AND MAKE NO REPRESENTATION OR WARRANTY AND EXPRESSLY DISCLAIM ANY LIABILITY FOR ANY CLAIM ARISING FROM OR OUT OF THE SUBSCRIBED PRODUCTS, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

6.4 *Limitation of Liability.*

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event shall Elsevier or its suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, or shall the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder, even if Elsevier or any supplier has been advised of the possibility of such liability or damages.

SECTION 7. GENERAL.

7.1 *Force Majeure.*

Neither party's delay or failure to perform any provision of this Agreement as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, governmental restrictions, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) shall be deemed a breach of this Agreement.

7.2 *Severability.*

The invalidity or unenforceability of any provision of this Agreement shall not affect any other provisions of this Agreement.

7.3 *Entire Agreement.*

This Agreement contains the entire understanding and agreement of the parties and merges and supersedes any and all prior and contemporaneous agreements, communications, proposals and purchase orders, written or oral, between the parties with respect to the subject matter contained herein.

7.4 *Modification.*

No modification or waiver of any provision of this Agreement shall be valid unless in writing and signed by the parties.

7.5 *Assignment.*

The Subscriber shall not assign, transfer or sublicense any of its rights or obligations under this Agreement unless it obtains the prior written consent of Elsevier, which consent shall not unreasonably be withheld.

7.6 *Privacy.*

Elsevier shall not, without the prior written consent of the Subscriber, transfer any personal information of any Authorized Users to any non-affiliated third party or use it for any purpose other than as described in this Agreement and in the online privacy policy for the relevant online service.

7.7 *Notices.*

All notices given pursuant to this Agreement shall be in writing and delivered to the party to whom such notice is directed at the address specified below or the facsimile number or electronic mail address as such party shall have designated by notice hereunder.

If to Elsevier: Elsevier B.V. c/o Regional Sales Office, 360 Park Avenue South, New York, NY 10010-1710, USA.

If to the Subscriber: The Regents of the University of California, o/b/o The California Digital Library, University of California Office of the President, 415 20th Street, 4th Floor, Oakland, CA 94612-2901, USA.

7.8 Governing Law.

This Agreement shall be construed according to and governed by the laws of the State of California, USA, excluding any such laws that might direct the application of the laws of another jurisdiction.

7.9 Confidentiality.

The Subscriber and its employees, officers, directors and agents shall maintain as confidential and not disclose to any non-affiliated third party without Elsevier's prior written consent or as required by law the financial terms and commercial conditions of this Agreement.

7.10 Execution.

This Agreement may be executed in counterparts, and signatures exchanged by facsimile or other electronic means are effective for all purposes hereunder to the same extent as original signatures.

Access to Formerly Subscribed Titles

Upon termination of all of the Subscriber's annual subscriptions on ScienceDirect online, the Subscriber may, at its option, (1) acquire, load and technically format on a server that enables access and use by Authorized Users an electronic copy of all or part of its Subscribed Titles for the publication years paid for cost and/or (2) continue to access such Subscribed Titles online for an annual access fee to be reasonably determined and proposed to Subscriber and / or (3) access such Subscribed Titles online through the Portico® electronic archiving service provided by Portico (in which case the Subscriber shall execute a separate Portico Journal Archive License Agreement whose terms and conditions shall also govern the Subscriber's use of such Subscribed Titles and take precedence in the event of any conflict or inconsistency with the Agreement),, in accordance with the usage provisions of this Agreement, which provisions shall survive the termination of the Agreement. Elsevier shall make available for inspection by a duly authorized auditor of the Subscriber, at the

Subscriber's sole expense, the records concerning the calculation of the annual access fee one time per year during regular business hours upon thirty (30) days written notice to Elsevier. The electronic copy may not contain links and other features and functionality associated with the online version. If a particular Subscribed Title is withdrawn by Elsevier or not renewed by the Subscriber, but the Subscriber remains a ScienceDirect online subscriber, the Subscriber may continue to access online, at no additional charge, such formerly Subscribed Title for the publication years paid, provided that Elsevier continues to hold the electronic rights thereto.

Option to Purchase New Elsevier Journal Titles

The Subscriber may purchase an electronic subscription to, and thus add to its list of Subscribed Titles, any newly published Elsevier journal title selected that is available on ScienceDirect at any time upon notice to Elsevier at a rate of ~~TEXT DELETED~~ of current year list price multiplied by the number of existing subscriptions held by Subscriber, or if there are no existing subscription, multiplied by ~~TEXT DELETED~~. The foregoing rate does not apply to new titles from the Additional Collections (as defined above), and the foregoing rate may not apply to additional titles or collections of titles (published by Elsevier or third parties) that may become available on the ScienceDirect platform during the term of the Agreement. With respect to such titles, Elsevier will reasonably determine and provide a quote to Subscriber upon request. In preparing such a quote, Elsevier will consider its then-prevailing business models, market conditions, prior subscription history, and competitive circumstances relevant for such Additional Collections.

Archival Print Copy

Elsevier will deliver to a single ship-to address of the Subscriber, at no charge, one (1) print copy of the Subscribed Titles, that were published during each calendar year of the Agreement as such issues or editions are published. The parties will review by 1 February of every year whether such print copies were delivered in the prior year and Elsevier will ensure delivery of any missing titles for the prior year. The archival site for these print copies may be changed to the Center for Research Libraries, or another third party as mutually agreed.

Deep Discounted Price for Print Subscriptions

Provided that the Fees have been paid, the Subscriber shall have the option to place orders for annual subscriptions to a selection of Elsevier print publications at a price reduced from the list price ("Deep Discounted Price" or "DDP"), as identified in the Deep Discounted Price catalog or other Elsevier catalogs, which discount shall be equal to the higher of either ~~TEXT DELETED~~ of the institutional list subscription fee or the personal subscription rate, by 1 October prior to the start of the next calendar year from the Publisher directly and from up to three (3) authorized subscription agents which shall be selected by the Subscriber, and the Publisher will fulfill such orders in accordance with its customary practices. The Subscriber shall notify Elsevier of its subscription agent's contact information upon placing such orders. The Subscriber may change its subscription agent no more than once annually by giving Elsevier notice by 1 October prior to the start of the next calendar year. The Subscriber will not place orders for such DDP subscriptions on behalf of any other person or entity or with the intent to resell, rent, license, lease or otherwise transfer them to another person or entity.

Additional Discount Programs (including individual campus discounts)

Any of the individual campuses or institutions that are part of Subscriber have an option to purchase subscription access to the following additional products at the discount noted below: eBook packages, book series packages, MRWs, handbooks online, Referex, Geobase, Embase.com, and Backfile packages. The discount available will be ~~TEXT DELETED~~ off list institutional prices. Generally the terms and conditions of this Agreement shall govern the usage of these products, it being understood that only the individual campus that elects to subscribe will have access and further that certain of these products may have unique additional terms and conditions, which will be identified in amendments (for example some products may be priced on the basis of number of users).

Further, Subscriber has an option to purchase subscription access to the above products for system-wide access at a ~~TEXT DELETED~~ discount off list institutional prices.

A further optional discount program is available for the University of California Berkeley and the University of California San Diego, consisting of a ^{TEXT DELETED} discount off list institutional prices for any additional purchases by these institutions up to the next ^{TEXT DELETED} of expenditure, for any electronic onetime purchase products (including E-books, future backfiles, E-MRW's etc) if such option is exercised by the institutions prior to 31 December 2012.
