

**Nature Publishing Group
Addendum to License Agreement**

THIS ADDENDUM is made on the 21st day of February 2008

BETWEEN:

Licensor: Nature America, Inc. d/b/a Nature Publishing Group, whose principal place of business is at 75 Varick Street, 9th Floor, New York, NY 10013-1917.

Licensee: California Digital Library, of Oakland, CA 94612.

415 20th ST. 4th FLOOR

WHEREAS

This is an Addendum to the License Agreement ("the License Agreement") dated 1 December 2006 and made between the Licensor and the Licensee;

NOW IT IS HEREBY AGREED as follows;

I. From the Date hereof the License Agreement shall be amended as follows;

The Licensed Material shall, in addition to that specified in the License Agreement include from the date hereof the following;

SECTION B. NPG JOURNALS

Nature Geoscience

The electronic versions of (a) the most recent print edition of *Nature Geoscience*; and (b) all previous print editions of *Nature Geoscience* that were first published within the previous four (4) years, from the later of the Commencement Date or the most recent of any subsequent Renewal Date (both as defined herein), but in any event all editions first published since the Commencement Date, in each case as available for access on the Internet at the URL <http://www.nature.com/naturegeoscience> together with any additional material that the Licensor makes available to the Licensee.

Nature Protocols

The electronic version of all *Nature Protocols* material first published within the previous four (4) years, from the later of the Commencement Date or the most recent of any subsequent Renewal Date (both as defined herein), but in any event all material first published since the Commencement Date, in each case as available for access on the Internet at the URL <http://www.natureprotocols.com> together with any additional material that the Licensor makes available to the Licensee.

Nature Clinical Practice Cardiovascular Medicine

The electronic versions of (a) the most recent print edition of *Nature Clinical Practice Cardiovascular Medicine*; and (b) all previous print editions of *Nature Clinical Practice Cardiovascular Medicine* that were first published within the previous four (4) years, from the later of the Commencement Date or the most recent of any subsequent Renewal Date (both as defined herein), but in any event all editions first published since the Commencement Date, in each case as available for access on the Internet at the URL <http://www.nature.com/ncpcardio> together with any additional material that the Licensor makes available to the Licensee.

Nature Clinical Practice Rheumatology

The electronic versions of (a) the most recent print edition of *Nature Clinical Practice Rheumatology*; and (b) all previous print editions of *Nature Clinical Practice Rheumatology* that were first published within the previous four (4) years, from the later of the Commencement Date or the most recent of any subsequent Renewal Date (both as defined herein), but in any event all editions first published since the Commencement Date, in each case as available for access on the Internet at the URL <http://www.nature.com/ncprheum> together with any additional material that the Licensor makes available to the Licensee.

aw

Lab Animal

The electronic versions of (a) the most recent print edition of *Lab Animal*; and (b) all previous print editions of *Lab Animal* that were first published within the previous four (4) years, from the later of the Commencement Date or the most recent of any subsequent Renewal Date (both as defined herein), but in any event all editions first published since the Commencement Date, in each case as available for access on the Internet at the URL <http://www.labanimal.com> together with any additional material that the Licensor makes available to the Licensee.

SECTION C. THIRD-PARTY JOURNALS

The ISME Journal

The electronic versions of (a) the most recent print edition of *The ISME Journal*; and (b) all previous print editions of *The ISME Journal* that were first published within the previous four (4) years, from the later of the Commencement Date or the most recent of any subsequent Renewal Date (both as defined herein), but in any event all editions first published since the Commencement Date, in each case as available for access on the Internet at the URL <http://www.nature.com/ismej> together with any additional material that the Licensor makes available to the Licensee.

[Text deleted]

Commencement Date: 1 January 2008

Supply Period: 12 months from the Commencement Date or as otherwise extended in accordance with clause 4.1 of the License Agreement.

For the avoidance of doubt, the Post Supply License shall not include access to any Licensed Material published prior to the Supply Period to which access may have been granted during the Supply Period.

2. Save as set out herein the License Agreement shall remain in full force and effect and the terms of the License Agreement shall apply to the Licensed Material set out herein as if it were included in the License Agreement from the date hereof.

The parties each agree to the terms of this Addendum to the License Agreement.
