SOCIETY OF EXPLORATION GEOPHYSICISTS MULTISITE LICENSE AGREEMENT

This Agreement is entered into as of the 21 day of May , 2013, by and between:

The Society of Exploration Geophysicists (“SEG” or “the Publisher”), with offices at 8801 South Yale Avenue, Suite 500, Tulsa, OK 74137, USA;

and

the Regents of the University of California, a non-profit academic institution, with its principal offices at The California Digital Library, University of California Office of the President, 415 20th Street, 4th floor, Oakland, CA 94612, USA, the Licensee”), representing each of the sites (“the Sites”) listed in Appendix D.

WHEREAS, SEG and the Licensee agree that it is desirable to allow Authorized Users, as defined below, at each of the Licensee’s Sites to have access to the online versions of the Publisher’s content (“Licensed Material”) irrespective of location or of the separate subscriptions held by the individual Sites, Publisher hereby grants to Licensee non-exclusive, non-transferable, worldwide right to access the Licensed Material and to provide access to the Licensed Material to Authorized Users in accordance with this Agreement.

THEREFORE, the parties agree as follows:

1 SCOPE AND COVERAGE

a. The Licensed Materials covered by this Agreement are the electronic versions of those products listed in Appendix A.

b. The Licensee warrants that it is authorized to act on behalf of its Sites with regard to this Agreement and stipulates that all terms and conditions of this Agreement are accepted by the individual Sites, which acknowledge that they are individually responsible for enforcing the terms and conditions set forth herein, whether or not they have individually signed this Agreement or the Publisher’s online user agreements for single institutions.

2. AUTHORIZED USERS

SEG grants to the Licensee and its Authorized Users online access to titles listed in Appendix A. This grant extends only to the Licensee and to Authorized Users at its Sites and may not be transferred or extended to others. "Authorized Users" means the employees, independent contractors, faculty, and students officially affiliated with the Licensee, and persons with legal access to the Licensee's library collections and facilities on-site, using an IP address within the ranges identified in Appendix C, or off-site via Secure Authentication to the Licensee's network. Persons with no formal affiliation to the Licensee but who are permitted to access information from computer terminals within the physical premises of the Licensee's Sites, or "Walk-In Users," are also deemed to be Authorized Users, only for the time they are within these physical premises. The Licensee and its Sites will exercise reasonable vigilance and shall be responsible for all access control and security measures necessary to ensure that the Sites' IP addresses are not used to access the Publishers' systems by anyone other than Authorized Users. The Licensee and its Sites warrant and represent that they will inform Authorized Users of general terms and conditions for the use of the Licensed Material that are consistent with this Agreement. Furthermore, the Licensee and its Sites will make every attempt to enforce the terms of this Agreement upon receiving information from SEG or any other source that reasonably indicates that one or more Authorized Users is in violation of the terms of this Agreement or of any SEG intellectual property rights. Subject to the terms of this Agreement, Licensee and its Authorized Users shall have unlimited access to the Licensed Material.

3. IP ADDRESSES

Authorized Users will be recognized and authorized by their Internet address. IP addresses and/or address ranges for the Licensee and its Sites are indicated in Appendix C. SEG requires the Licensee to provide the name and e-mail address of a network contact who will be the primary contact person for SEG. The Licensee may submit the IP addresses of additional Sites throughout the license period for SEG's approval, subject to the terms of section 8(a)(3).

4. USAGE STATISTICS

COUNTER-compliant usage reports are available via Atypon Systems' usage report service. Library administrators may run reports based on the (aggregated) usage from all Sites upon activation of the Subscriber's account. Publisher and Licensee agree to maintain the confidentiality of any data relating to the usage of the Licensed Materials by Licensee and its Authorized Users. Such data may be used solely for purposes directly related to the Licensed Materials and may only be provided to third parties in aggregate form. Raw usage data, including

but not limited to information relating to the identity of specific users and/or uses, shall not be provided to any third party. Licensee and Publisher shall cooperate in the implementation of security and control protocols and procedures, such as Shibboleth, should they be developed by Publisher during the term of this Agreement.

5. PERMITTED USE

a. Authorized Users are permitted online access to the Licensed Material listed in Appendix A, and may download, save, or print text, search results, or other information solely for their private use or research. The Licensee and its Authorized Users may use this online access only in a way that conforms to all applicable laws and regulations, including fair-use provisions of U.S. copyright laws.

b. The Publisher grants the Licensee and its Authorized Users permission to use brief quotations from the content of the Licensed Material with the customary acknowledgment of the source, and to copy and transmit content from individual articles, meeting abstracts, chapters, or other content (“Articles”) in “person-to-person” and non-systematic scholarly exchanges of information between Authorized Users and specific individuals, a practice known as scholarly sharing.

c. The Licensee may supply a copy of an Article to a library that is not affiliated with its Sites only under the following conditions:

1. Only a hard copy printed from the electronic files of the Licensed Material may be supplied to another library, by mail, fax, or Ariel. Under no circumstance may a Publisher-prepared electronic Article file be transmitted in digital form to any person or to an institution that is not associated with the Licensee.

2. The Licensee may not supply an Article to another library on a commercial, revenue-generating basis without full payment of the Publisher’s single-article copying fee (“the Publisher’s royalty”) directly to the Publisher or to the Copyright Clearance Center or another Reproductive Rights Organization.

3. No article may be supplied to a corporation or other non-academic institution without full payment of the Publisher’s royalty.

4. The Licensee agrees to fulfill such requests in compliance with Section 108 of the United States Copyright Law (17 USC §108, “Limitations on exclusive rights: Reproduction by libraries and archives”) and the Guidelines for the Proviso of Subsection 108(2g)(2) prepared by the National Commission on New Technological Uses of Copyrighted Works.

5. The Licensee may not remove, obscure or modify copyright notices that are part of an Article to be printed and supplied to another library.

6. Only Article requests from non-subscribing academic libraries within the same country as the Licensee may be fulfilled, under the conditions indicated above.

d. Faculty at Licensee institutions may include Articles from licensed SEG and EEGS journals, expanded abstracts, and proceedings in anthologies (coursepacks) in print or digital form for distribution to Authorized Users for use in connection with classroom instruction or in reserves (print or digital) set up by the libraries for access by Authorized Users in connection with specific courses offered by the Licensee. Copies of items in digital form that are included in online coursepacks or reserves will be deleted by the Licensee and its Sites within thirty (30) days of the end of the semester in which the related course concludes.

e. The Licensee agrees that use of the Licensed Material by the Sites or Authorized Users other than indicated above is a violation of the terms of this Agreement.

6. PROHIBITIONS ON CERTAIN USE

a. The Licensee shall not knowingly permit anyone other than Authorized Users to use the Licensed Material. Altering, recompiling, reselling, publishing, or republishing of any journal, expanded abstract, proceedings, or book text, search result, or other information from the Licensed Material, or any portion thereof, in any form or medium, is prohibited.

b. Systematic or programmatic downloading, printing, transmitting, or copying of the Licensed Material is prohibited. "Systematic or programmatic" means downloading, printing, transmitting, or copying activity of which the intent or the effect is to capture, reproduce, or transfer the entire output of a journal volume, a journal issue, or a journal topical section, or sequential or cumulative search results, or collections of abstracts, Articles, or tables of contents; or to capture, reproduce, or transfer an entire e-book or substantial portions thereof. Other such Systematic or Programmatic use of the Licensed Material that interferes with the access of Authorized Users or that may affect the performance of the Publisher's online systems, for example, the use of "robots" to index content, or downloading or attempting to download large amounts of material in a short period of time, is prohibited. Redistribution of the Licensed Material, except as permitted in Section 5, without permission of the Publisher and/or payment of a royalty to the Publisher or to the appropriate Reproduction Rights Organization, is prohibited.

c. All rights not expressly granted herein are reserved to the Publisher. The Licensee and Authorized Users may not circumvent the Publisher's access-control systems or use these systems or services to make any attempt to gain unauthorized access to any other system or network.

d. The Publisher shall not be required to distribute, and the Licensee shall not redistribute, the Licensed Material or any Article therein to a country to which export is prohibited by U.S. law or regulation.

e. Licensee and its Sites shall report to SEG any nonauthorized use of Licensed Material by its Authorized Users that it discovers.

7. DURATION OF AGREEMENT

a. This Agreement is for the period **January 1, 2013, to December 31, 2013**, and becomes effective on receipt by SEG of the Agreement signed by an authorized agent of the Licensee and on receipt of payment of the License Fee as defined in section 8.

b. This Agreement will terminate:

1. Following sixty (60) days' prior written notice that any term or condition of this Agreement is violated, provided that violation is not remedied with all reasonable haste upon notification. The foregoing notwithstanding, SEG reserves the right to suspend access to any individual IP address or address range immediately upon detecting a breach of this Agreement by a person or persons at the IP addresses in question. The Publisher will use reasonable efforts to notify the Licensee as soon as possible by sending e-mail to the authorized agent address included in this Agreement.

2. No later than March 1 of any year of the Agreement if SEG has not received the Multisite License Fee for that year.

3. Following the initial term of this Agreement as specified in 7.a, the Agreement will automatically renew on a yearly basis, unless either party gives the other written notice of cancellation for the next subscription year on or before December 31.

8. FEES AND PAYMENT

a. The Licensee agrees to pay a License Fee as set out in Appendix B. All fees are due and payable by Licensee sixty (60) days after the date of the invoice from Publisher, but no earlier than thirty (30) days before renewal. The License Fee consists of the subscription payments due from the Licensee or any of its Sites and an Access Fee for the sharing of the Licensed Material across all Sites. The License Fee is subject to each Publisher's annual average price increase for the products listed in Appendix A. For the term of this Agreement (if more than one year), SEG will provide the Licensee annually with an updated Appendix B, showing the Licensed Material and the License Fee applicable for that year.

Only the following adjustments may be made to the License Fee:

1. The print copy of any journal received by a given Site may be discontinued and the subscription price for that copy will be changed to reflect the actual (discounted) online-only rate.

2. A print copy of any journal may be added by a given Site at a discounted price.

3. The Licensee may request that new Sites be added to this Agreement throughout the license period subject to SEG approval, such approval not to be unreasonably withheld. SEG may take account of any current or prior subscriptions to the Publishers' journals held by such Sites and may adjust the License Fee accordingly. All adjustments to the list of Sites or IP addresses and to the License Fee are to be mutually agreed by SEG and the Licensee.

4. A new title, not initially included in the Licensed Material listed in Appendix A, may be added to this Agreement at any time, at a price to be agreed upon by SEG and the Licensee.

5. If any journal in Appendix A ceases publication, or if the Publisher is otherwise unable to provide continued access to any title during the term of this Agreement, the Licensee's annual subscription payments and/or License Fee may be adjusted by agreement between SEG and the Licensee.

b. The Licensee agrees that, with the exceptions listed above, there will be no other reductions or adjustments in the License Fee for the duration of this Agreement.

9. COPYRIGHT

The Licensed Material and their contents, including abstracts, are copyrighted by the SEG except as may be otherwise noted within the Licensed Material. This material is subject to all applicable copyright, database protection, attribution, and other rights of SEG and other publishers of the Licensed Material under the laws of the United States and other countries. Copyright notices in the Licensed Material and its Articles may not be removed, obscured, or modified in any way. Unauthorized copying or redistribution of any content licensed herein is a violation of copyright laws.

10. FAILURE OF PERFORMANCE

Publisher shall use reasonable efforts to ensure that the Publisher's server or servers have sufficient capacity and rate of connectivity to provide the Licensee and its Authorized Users with a quality of service comparable to current standards in the online information provision industry in the Licensee's locale. The Publisher endeavors to provide service to Authorized Users 24

hours a day, 365 days a year. The Publisher will announce to Licensees any planned downtime necessary for service upgrades and will always seek to minimize the length and effect of such downtime. The Publishers, however, will not be liable for any delay, transmission error, software or equipment incompatibilities, force majeure, or other failure of performance. The Publisher will use all commercially reasonable efforts to correct any material performance problem brought to its attention as quickly as possible and may suspend performance pending such correction. Scheduled downtime will be performed at a time to minimize inconvenience to Licensee and its Authorized Users.

11 PERPETUAL ACCESS TO SEG eBooks

If the Licensee has purchased SEG eBooks Perpetual Access to the Complete Collection, annual renewal will be for SEG eBooks Perpetual Access Plus, adding new titles to the Licensee's collection of perpetual-access-licensed titles. The Licensee and its Sites retain online access to all content in SEG eBooks for each year covered by Licensee's purchases provided that Licensee keeps contact information current and continues to abide by all terms of this Agreement. Licensees that have not made a Perpetual Access Plus acquisition covering then-current SEG eBooks content may obtain a one-time transfer of purchased titles via disc, FTP, or another means agreed by both parties in writing in lieu of maintaining online access to the purchased titles through SEG or its agents.

12. DISCLAIMER OF WARRANTIES; LIMITATION OF LIABILITY; INDEMNIFICATION

SEG warrants that it is entitled to grant the licenses granted in this Agreement EXCEPT AS SET FORTH IN THE PRECEDING SENTENCE, SEG MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE LICENSED MATERIAL, INCLUDING THEIR QUALITY, ORIGINALITY, SUITABILITY, SEARCHABILITY, OPERATION, PERFORMANCE, COMPLIANCE WITH ANY COMPUTATIONAL PROCESS, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

SEG SHALL NOT BE LIABLE FOR: EXEMPLARY, SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES, ARISING OUT OF OR IN CONNECTION WITH THE SUBSCRIPTION OR LICENSES GRANTED HEREUNDER, THE USE OR INABILITY TO USE ANY ONLINE PUBLICATION, THE PUBLISHERS' PERFORMANCE UNDER THIS AGREEMENT, TERMINATION OF THIS AGREEMENT BY SEG OR THE LOSS OF DATA, BUSINESS OR GOODWILL, EVEN IF SEG IS ADVISED OR AWARE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT EXCEPT THIRD-PARTY CLAIMS OF COPYRIGHT INFRINGEMENT AGAINST SEG SHALL THE TOTAL AGGREGATE LIABILITY OF THE PUBLISHER FOR ANY CLAIMS, LOSSES, OR DAMAGES ARISING OUT OF ANY BREACH OR TERMINATION OF THIS AGREEMENT EXCEED THE TOTAL AMOUNT PAID BY THE LICENSEE TO SEG FOR THE ONLINE PUBLICATION SUBSCRIPTION FOR THE CURRENT SUBSCRIPTION YEAR IN WHICH SUCH CLAIM, LOSS, OR DAMAGE OCCURRED, WHETHER IN CONTRACT, TORT, OR OTHERWISE, INCLUDING WITHOUT LIMITATION DUE TO NEGLIGENCE. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. No claim may be made against SEG unless suit is filed thereon within one (1) year after the event giving rise to the claim. Subject to applicable

law, the Licensee agrees to indemnify, defend, and hold harmless SEG from and against any loss, damage, costs, liability and expenses (including reasonable legal and professional fees) arising out of any claim or legal action taken against SEG related to or in any way connected with any use of the Licensed Materials by the Licensee or its Authorized Users or any failure by the Licensee to perform its obligations in relation to this license. Nothing in this License shall make the Licensee liable for breach of the terms of the License by any of its Authorized Users provided that the Licensee did not cause, knowingly assist, or condone the continuation of such breach to continue after becoming aware of an actual breach having occurred.

The Publisher shall indemnify and hold Licensee and Authorized Users harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any claim by any third party of an alleged infringement of copyright or any other property right arising out of the use of the Licensed Materials by the Licensee or any Authorized User. NO LIMITATION OF LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT IS APPLICABLE TO THIS INDEMNIFICATION.

The Licensee and its Sites assume sole responsibility for all use of the Licensed Material by Authorized Users.

13. GOVERNING LAW

All differences and disputes that may arise out of this Agreement or in connection therewith are to be settled by direct discussions between the parties.

14. GENERAL

This Agreement constitutes the entire agreement between the parties and supersedes any prior communication or agreement between the parties with respect to the subject matter hereof. The headings used in this Agreement are for convenience only and are not to be considered in construing the terms of this Agreement. Subject to termination under Section 7, this Agreement may be amended only by consent (via mail, e-mail, or fax) of both parties. The Licensee and its Sites may not make any changes to this Agreement without written consent of SEG.

The Licensee and its Sites must pay any applicable taxes (including but not limited to any Value Added Taxes, Sales Taxes, and Import Taxes) other than taxes on SEG's net income, arising out of the Sites' use of the Licensed Material and/or the rights granted under this Agreement.

The Licensee and its Sites may not assign or transfer their rights under this Agreement. The provisions of Sections 1, 2, 5, 6, 9, 11, 12, and 13 hereof shall survive any expiration or termination of this Agreement.

I have read and agree to adhere to and abide by all the terms and conditions stated above, and I certify that I am authorized to sign this Agreement on behalf of the Sites listed in Appendix D.

Appendix C. Institutional IP Addresses/Ranges

Access to SEG Digital Library publications from your institution will be authorized based on the IP addresses and/or ranges you provide. We recommended that you consult with your network administrator to determine your IP addresses, subnets, and other critical information about your institution's network configuration.

Please list your IP addresses and/or ranges (Class B, Class C, and single station) below (attach additional sheets as necessary). Note that Class B requests will be subject to additional review by SEG. Please contact SEG Subscriptions Customer Service at subscriptions@seg.org or phone 1-918-497-5500 if you need to register a proxy or caching server, or if have any additional questions.

All information provided regarding your IP addresses will be verified by SEG, and your network contact (which must be provided below) will be contacted if additional clarification is necessary.

Please type your IP addresses/ranges in the following formats:

Class B Network: Enter the first two (network) numbers and use asterisks for the host addresses, e.g., 145.34.* *

Class C Network: Enter the first three (network) numbers and use asterisks for the host addresses, e.g., 145.34.128.* (Ranges are acceptable, e.g., 145.34.128.* - 145.34.149.* to indicate Class C ranges)

Single Station(s): Type all four numbers, e.g., 145.34.128.62 (Ranges are acceptable, e.g. 145.34.128.62 – 145.34.128.86 to indicate ranges of single stations).
