This indemnity shall survive the termination of this License for any reason. This indemnity shall not apply if Licensee has amended or used the Licensed Materials in any way not permitted by this License.

5.2 BioOne shall:

- 5.2.1 Make the Licensed Materials available to Licensee from the Server via the Internet, access to which is authenticated as specified in Appendix B. BioOne will notify Licensee at least sixty (60) days in advance of any anticipated specification change applicable to the Licensed Materials. If the changes render the Licensed Materials less useful in a material respect to Licensee, Licensee may within thirty (30) days of such notice treat such changes as a breach of this License under sections 8.1.2 and 8.1.4.
- 5.2.2 Use reasonable efforts to make available the electronic version of each title in the Licensed Materials promptly after it is available.

In the event of an interruption or suspension of service lasting more than 24 consecutive hours, the Licensee's contract will be extended by an equal number of hours.
- 5.3 Where the Licensed Materials will not be available to Licensee for more than thirty (30) consecutive days, BioOne shall refund to Licensee a proportion of the Fee prorated to the period of such unavailability within in the Subscription Period to which the Fee relates.

BioOne shall give written notice to Licensee of such withdrawal. - 8.4 On termination of this License by Licensee for cause, as specified in section 8.1.2 above, BioOne shall forthwith refund the proportion of the Fee that represents the paid but unexpired part of the Subscription Period.

9. GENERAL

- 9.1 This License constitutes the entire agreement of the parties and supersedes all prior communications, understandings, and agreements relating to the subject matter of this License, whether oral or written.
- 9.2 Alterations to this License and to the Appendices to this License are only valid if they are recorded in writing and signed by both parties.
