4. MyCopy

4.1 If geographically available, Springer will grant Licensee access to Springer's MyCopy Service, a reprint-order service through which Authorized Users may order copies of the eBooks that are part of Licensee's eBook Packages during Licensee's period of access to the eBook Packages (the "MyCopy Books").

4.2 In general, the MyCopy Books are print-on demand versions and shall be identical to the applicable print-edition and electronically-accessed versions in eBooks except that, (a) they shall be bound in soft covers that may be printed in color or black and white, and (b) all content shall be printed in black and white.

4.3 All English language books, as of copyright year 2005, where Springer has print distribution rights to, and which are suitable for digital printing, will be included in the MyCopy program.

Each Authorized User may order one (1) print-on-demand copy of any eBook from the eBook Packages. There are no restrictions as to the number of individual titles of MyCopy Books that may be ordered by an Authorized User. Springer shall deliver the printed MyCopy Books to the address (the country is restricted to the physical location as determined by the IP-address) specified by the Authorized User after the Authorized User's completion of the transaction by payment of the purchase price. In any case, Licensee, Participating Libraries and their librarians are not entitled to order MyCopy Books.

4.4 For each MyCopy book transaction, the price paid by Authorized Users for the printing, shipping and handling shall be [REDACTED] per copy. At any time during the term of the Agreement, Springer will provide the California Digital Library Collections Director, [REDACTED]
[REDACTED]

5. Duration of Access

5.1 Springer grants Licensee continuous access to the eBook Packages as provided below:
