APPENDIX D (a) – LICENSED ONLINE REFERENCE WORKS – One-Time Purchase, with or without Annual Updates

Licensee: California Digital Library (CDL) on behalf of the following University of California institutions.

Licensed Online Reference Works (ORW) are the electronic editions of Wiley’s major reference works to which the Licensee has access under this License (the “Edition(s)”). They may include tables of content, abstracts, full text and illustrations, data tables and additional content not included in the print versions of the major reference works.

A One-Time Purchase will entitle the Licensee to the ORW Edition that is available at the time of purchase. It will also include all material added or updated during the current calendar year. At the end of the Appendix Term, the Licensee has the option to purchase Annual Updates for the purchased Edition(s) on the terms sets forth in this Appendix.

Certain products and services may be delivered from other platforms. The terms and conditions hereof are equally applicable to those products and services.

Perpetual Access:

Wiley will provide the Licensee with perpetual access to the full text of the Licensed Online Reference Works. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium selected by Wiley, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which shall survive any termination of the Agreement.

Pricing:

ORW pricing will be calculated based on the Licensee’s number of FTEs. For this purpose FTEs are defined as full-time equivalent students and academic faculty.

- University of California campuses will be able to individually add Online Reference Works at the consortium discount [REDACTED] per Appendix B (a) C.7) and the annual price cap stated in this contract will apply.
- CDL will be able to add Online Reference Works at the consortium discount ([REDACTED] per Appendix B (a) C.8) and the annual price cap stated in this contract will apply.
