

APPENDIX C – JOURNAL BACKFILES

Licensee: The California Digital Library on behalf of the Regents of the University of California

Licensed Electronic Journal Backfiles are the electronic editions of Wiley journal content published in years designated as part of a backfile package to which the Licensee has access under this License, including tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals.

Perpetual Access:

Wiley will provide the Licensee with perpetual access to the full text of the Licensed Electronic Journal Backfiles. Where a subsequent publisher does not assume the obligation, Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium selected by Wiley, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which shall survive any termination of the Agreement.

Pricing

Journal Backfiles pricing is a one-time fee based on the Licensee's number of FTEs. For this purpose FTEs are defined as full-time equivalent students and academic faculty.

1. University of California campuses will be able to individually add Journal Backfiles at the consortium discount [REDACTED] per Appendix B (a) C.7).
2. CDL will be able to add Journal Backfiles at the consortium discount [REDACTED] per Appendix B (a) C.8).
3. CDL reserves the right to negotiate pricing on all non-journal content.
4. If the Licensee exercises its option under the Agreement to purchase system-wide perpetual access rights to the licensed products Publisher will deduct the amount that a University of California campus previously paid for such licensed products from the Fees due for the Licensee's purchase.
