It is understood by both parties that Springer is presenting this Agreement and its terms to Licensee under confidential conditions and that the terms of this Agreement constitute trade secrets and highly sensitive and confidential information.
- 11.2 Provision 11.1 shall survive the termination of this Agreement, and any information obtained or received which comes within these restrictions shall remain confidential, provided always that this obligation shall not apply to any information which at the time of disclosure is in the public domain or is made available at any time by an independent third party which has not obtained it directly or indirectly in breach of any confidentiality agreement with the party whose information was so disclosed, or as required by law.

12. Representations, Warranties and Indemnities

- 12.1 Springer represents to Licensee that use of the Content by Licensee in accordance with this Agreement does not infringe any copyrights of any third party under the laws of the United States.
- 12.2 Springer represents that it has all copyrights, ownership rights and/or utilization rights in and to the Content and that the execution of this Agreement does not violate any contract to which Springer is presently a party nor does it violate the rights or interests of any third party.
- 12.3 Springer represents that Springer has the requisite corporate authority to enter into this Agreement and to grant and/or accept the license hereunder, and that there are no outstanding assignments, grants, licenses, encumbrances, obligations or agreements that would prevent Springer from performing under the terms of this Agreement.
- 12.4 Notwithstanding the foregoing, however, Springer will not be responsible for any claim, loss or liability attributable to errors, inaccuracies or other defects in the Content or any part thereof

arising from any act or omission or (to the maximum extent permitted by relevant laws) any negligence and BOTH PARTIES EXPRESSLY EXCLUDE ANY LIABILITY FOR BREACH OF ANY IMPLIED OR EXPRESS WARRANTY AS TO TITLE, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR SHALL SPRINGER BE LIABLE FOR ANY DIRECT OR INDIRECT, INCIDENTAL, SPECIAL CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING OUT OF USE OF THE CONTENT, save that Springer will use its best efforts to replace any defective part of the Content. Licensee shall not be liable to Springer for breach of the terms of this Agreement by any Authorized User so long as Licensee did not intentionally or through gross negligence or recklessness assist in or encourage such breach or permit such breach to continue after having actual notice thereof.

- 12.5 Licensee represents to Springer that use of the Content by Licensee in accordance with this Agreement does not infringe any valid intellectual property rights claimed by any third party under the laws of the U.S.
- 12.6 Licensee represents that Licensee has the requisite corporate authority to enter into this Agreement and to grant and/or accept the license hereunder, and that there are no outstanding assignments, grants, licenses, encumbrances, obligations or agreements that would prevent Licensee from performing under the terms of this Agreement.
- 12.7 Licensee represents that it is authorized to act on behalf of the Authorized Users and the Participating Institutions, and that there are no outstanding assignments, grants, licenses, encumbrances, obligations, agreements or other matters that would prevent Licensee from so acting on their behalf.
- 12.8 Licensee warrants that it will use its best efforts to maintain the integrity of the Content and the security of the Licensee's Network and proper use thereof and access thereto by its Authorized Users.
- 12.9 Nothing in this Agreement shall limit Fair Use and other rights granted by United States copyright law.

13. Indemnification

- 13.1 Springer shall indemnify and hold Licensee and Authorized Users harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any claim by any third party of an alleged infringement of copyright or any other property right arising out of the use of the Licensed Materials by the Licensee or any Authorized User. NO LIMITATION OF LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT IS APPLICABLE TO THIS INDEMNIFICATION.

Each party shall indemnify and hold the other harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any alleged breach of such indemnifying party's representations and warranties made under this Agreement, provided that the indemnifying party is promptly notified of any such claims.

The indemnifying party shall have the right to defend such claims at its own expense. The other party shall provide assistance in investigating and defending such claims as the indemnifying party may reasonably request and have the right to participate in the defense at its own expense.

14. General

- 14.1 No part of this Agreement shall be construed as limiting Licensee's ability to acquire additional Content. If Licensee acquires additional Content after the initial acquisition, these Online Terms and Conditions shall also be applicable to Licensee's acquisition of any such additional Content.
- 14.2 Springer may assign its rights or delegate its obligations, or any part thereof under this Agreement without prior consent from Licensee. In such event, Springer will use reasonable efforts to secure perpetual rights granted in this Agreement as part of assignment or sale. Licensee may not assign, whether in conjunction with a change of ownership, merger, acquisition, sale or transfer of all, substantially all or any part of Licensee's business or assets or otherwise, either voluntarily, by operation of law or otherwise, any portion of Licensee's rights or obligations under this Agreement without the consent of Springer. Nothing in this Agreement shall constitute or permit either party to execute on behalf of the other any contract or other document, or to bind or otherwise obligate the other party. Neither party is an agent or employee of the other and neither has any right nor any authority to assume or create any obligation of any kind, express or implied, on behalf of the other, nor shall the acts or omissions of either create any liability for the other. The parties further agree that neither party shall obligate or

purport to obligate the other by issuing or making any affirmations, representations, warranties or guaranties with respect to the Content.

- 14.4 The waiver or failure of any party to enforce any of its rights under this Agreement shall not be deemed to be a waiver of any of such party's rights in the event of any subsequent breach or breaches of any of the obligations of another party hereunder. No waiver by any party hereunder shall be effective unless in writing and signed by such party.
- 14.5 Springer's failure to perform any term or condition of this Agreement as a result of conditions beyond its control such as, but not limited to, war, strikes, fires, floods, governmental restrictions, power failures, or damage or destruction of any network facilities or servers, shall not be deemed a breach of this Agreement.
- 14.6 If any covenant or other provision of this Agreement is invalid, illegal or incapable of being enforced, by reason of any rule of law or public policy, all other conditions of this Agreement shall nevertheless remain in full force and effect, and no covenant or provision shall be dependent upon any other covenant or provision unless so expressed herein.
- 14.7 This Agreement and the rights and obligations of the parties hereto shall be construed, interpreted and determined in accordance with the laws of the State of California without reference to the choice-of-law principles of this state or any other jurisdiction and without the aid of any rule, custom or canon requiring construction or interpretation of this Agreement against the draftsmen.
