Licensor will, upon receipt of written request, cooperate with Licensee and Authorized Users as reasonably necessary in making the Licensed Materials available in a manner and form most useful to the Authorized User. If Licensee or Authorized Users request the Licensor to deliver or otherwise prepare copies of the Licensed Materials for text and data mining purposes, any fees charged by

Licensors shall be solely for preparing and delivering such copies on a time and materials basis.

In the event that Licensor fails to repair the nonconformity in a reasonable time, Licensor shall reimburse Licensee in an amount that the nonconformity is proportional to the total Fees owed by Licensee under this Agreement.

Notification of Modifications of Licensed Materials. Licensee understands that from time to time the Licensed Materials may be added to, modified, or deleted from by Licensor and/or that portions of the Licensed Materials may migrate to other formats. Licensor shall use best efforts to give a ninety (90) day notice of any such changes to Licensee, particularly where a substantial amount of material was affected.

In no event shall the terms of such “click-through” licenses or posted terms materially differ from the provisions of this Agreement. In the event of any conflict between the terms of such “click-through” licenses and this Agreement, the terms of this Agreement shall prevail.

Usage Statistics. Licensor must provide both composite systemwide use data and itemized data for individual campuses and labs, on a monthly basis. License, such party shall so notify the breaching party in writing. The breaching party shall have sixty (60) days from the receipt of notice to cure the alleged breach and to notify the non-breaching party in writing that cure has been effected. If the breach is not cured within the sixty (60) day period, the non-breaching party shall have the right to terminate the Agreement without further notice.

Neither party shall be liable for any indirect, special, incidental, punitive or consequential damages, including but not limited to loss of data, business interruption, or loss of profits, arising out of the use of or the inability to use the Licensed Materials.

Licensor makes no representation or warranty, and expressly disclaims any liability with respect to the content of any Licensed Materials, including but not limited to errors or omissions

contained therein, libel, infringement of rights of publicity, privacy, trademark rights, moral rights, or the disclosure of confidential information.

Except for the express warranties stated herein, the Licensed Materials are provided on an "as is" basis, and Licensor disclaims any and all other warranties, conditions, or representations (express, implied, oral or written), relating to the Licensed Materials or any part thereof, including, without limitation, any and all implied warranties of quality, performance, merchantability or fitness for a particular purpose. Licensor makes no warranties respecting any harm that may be caused by the transmission of a computer virus, worm, time bomb, logic bomb or other such computer program. Licensor further expressly disclaims any warranty or representation to Authorized Users, or to any third party.

XIV. INDEMNITIES

The Licensor shall indemnify and hold Licensee and Authorized Users harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any claim by any third party of an alleged infringement of copyright or any other property right arising out of the use of the Licensed Materials by the Licensee or any Authorized User. NO LIMITATION OF LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT IS APPLICABLE TO THIS INDEMNIFICATION.

Each party shall indemnify and hold the other harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any alleged breach of such indemnifying party's representations and warranties made under this Agreement, provided that the indemnifying party is promptly notified of any such claims.

The indemnifying party shall have the right to defend such claims at its own expense. The other party shall provide assistance in investigating and defending such claims as the indemnifying party may reasonably request and have the right to participate in the defense at its own expense.

XV. ASSIGNMENT AND TRANSFER

Neither party may assign, directly or indirectly, all or part of its rights or obligations under this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed.

XVI. GOVERNING LAW

This Agreement shall be interpreted and construed according to, and governed by, the laws of California, excluding any such laws that might direct the application of the laws of another jurisdiction. The federal or state courts located in California shall have jurisdiction to hear any dispute under this Agreement.

agree to exercise their best efforts to resolve the dispute as soon as possible. The parties shall, without delay, continue to perform their respective obligations under this Agreement which are not affected by the dispute.

Mediation. In the event that the parties cannot by exercise of their best efforts resolve the dispute, they shall submit the dispute to Mediation. The parties shall, without delay, continue to perform their respective obligations under this Agreement which are not affected by the dispute. The invoking party shall give to the other party written notice of its decision to do so, including a description of the issues subject to the dispute and a proposed resolution thereof. Designated representatives of both parties shall attempt to resolve the dispute within five (5) working days after such notice. If those designated representatives cannot resolve the dispute, the parties shall meet at a mutually agreeable location and describe the dispute and their respective proposals for resolution to responsible executives of the disputing parties, who shall act in good faith to resolve the dispute. If the dispute is not resolved within thirty (30) calendar days after such meeting, the dispute shall be submitted to binding arbitration in accordance with the Arbitration provision of this Agreement.

Arbitration. Any controversies or disputes arising out of or relating to this Agreement shall be resolved by binding arbitration in accordance with the then current Commercial Arbitration Rules of the American Arbitration Association. The parties shall endeavor to select a mutually acceptable arbitrator knowledgeable about issues relating to the subject matter of this Agreement. In the event the parties are unable to agree to such a selection, each party will select an arbitrator and the arbitrators in turn shall select a third arbitrator. The arbitration shall take place at a location that is reasonably centrally located between the parties, or otherwise mutually agreed upon by the parties.

All documents, materials, and information in the possession of each party that are in any way relevant to the claim(s) or dispute(s) shall be made available to the other party for review and copying no later than sixty (60) days after the notice of arbitration is served.

The arbitrator(s) shall not have the authority, power, or right to alter, change, amend, modify, add, or subtract from any provision of this Agreement or to award punitive damages. The arbitrator shall have the power to issue mandatory orders and restraining orders in connection with the arbitration. The award rendered by the arbitrator shall be final and binding on the parties, and judgment may be entered thereon in any court having jurisdiction. The agreement to arbitration shall be specifically enforceable under prevailing arbitration law. During the continuance of any arbitration proceeding, the parties shall continue to perform their respective obligations under this Agreement.

In the event of such termination the University of California shall maintain its perpetual right to materials licensed under the subscription periods for which it has fully paid.

XXVII. AUTHOR RIGHTS TO USE THEIR OWN WORK

Notwithstanding any terms or conditions to the contrary in any author agreement between authors and Licensor, authors who are Authorized Users of Licensee ("Authors") whose work ("Content") is accepted for publication by Licensor during the Term shall retain the non-exclusive, irrevocable, worldwide, royalty-free right to use their Content for scholarly and educational purposes, including self-archiving or depositing the Content in institutional, subject-

based, national or other open repositories or archives (including the author's own web pages or departmental servers), and to comply with all grant or institutional requirements associated with the Content. For the avoidance of doubt, these rights refer to the Author's final version (not Publisher's Version of Record) which shall not be subject to an embargo period when deposited in eScholarship, UC's open access repository. Licensee will implement temporary access embargoes on articles deposited in its institutional repository if instructed to do so by Authors and if the UC Open Access policy allows to do so.

For the avoidance of doubt, it is the intent of the parties to this License Agreement that Licensee's Authors are third party beneficiaries of this provision of the Agreement. Nothing in this section shall eliminate or limit any other rights that Licensee or any Author may have to deposit, host or make available Content published by Licensor.

Definitions:

Scholarly and educational purposes: Purposes encompassing teaching, research, and institutional needs, including but not limited to the right to (a) use, reproduce, distribute, perform, and display the Content in connection with teaching, conference presentations, and lectures; (b) make full use of the Content in future research and publications; (c) republish, update or revise the Content in whole or in part for later publication; (d) meet requirements and conditions of research grants or publishing subventions provided by government agencies or non-profit foundations, and; (e) grant to the Author's employing institution some or all of the foregoing rights, as well as permission to use the Content in connection with administrative activities such as accreditation, mandated reports to state or federal governments, and similar purposes. In all cases, the Author and/or the Author's employing institution will be expected to provide proper citation to the published version.

Repositories or archives: Open-access digital repository services such as those provided by the Author's employing institution, an academic consortium, a discipline-based entity, or a governmental funding agency.

XXVIII. EXECUTION
