In the interests of clarification the following words and phrases used in the Licence of Access Agreement to the Cambridge Structural Database between the Cambridge Crystallographic Data Centre (CCDC) and the Organisation, dated 24 August 2001 (the "Agreement"), shall be interpreted as having the following meanings:

1. The term "staff" in Section 4.2 means any workers employed by the Organisation under terms consistent with the obligations of the Agreement and includes members of faculty, academic and support staff, post-doctoral workers, bona fide students enrolled to study for degrees awarded by the Organisation, and also includes occasional visitors to the Organisation's libraries;

provided always that the terms and conditions of the Agreement are otherwise fully observed, and in particular that the Organisation shall not use the CSD System in any manner or for any purpose that will or may result in the Organisation or any other persons having no requirement or a reduced requirement for licences of the CSD System.
