

APPENDIX D – CURRENT PROTOCOLS ONLINE – Amendment Two

Current Protocols Online (CP Online) are the electronic (online) editions of Wiley’s Current Protocols publications to which the Licensee has access under this License. They include tables of content, abstracts, full text and illustrations, data tables and any additional content not included in the print versions of the CP publications, including but not limited to search and retrieval tools, software and functionality. CP Online will be updated regularly.

Archiving Rights:

Wiley will provide the Licensee with access to the full text of the Licensed Current Protocols Online titles. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium selected by Wiley, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Licensee Agreement, which shall survive any termination of the Agreement.

Pricing:

CP Online pricing will be calculated based on the Licensee's number of FTEs. For this purpose FTEs are defined as full-time equivalent students and academic faculty.
