

**APPENDIX G (a) – LICENSED ONLINEBOOKS – One-Time Purchase – Amendment Four**

Wiley InterScience OnlineBooks are the electronic (online) editions of Wiley books to which the Licensee has access under this License. They may include tables of content, abstracts, full text and illustrations, data tables and additional content not included in the print versions of the books.

**Archiving Rights:**

Wiley will provide the Licensee with access to the full text of the Licensed OnlineBook edition. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium selected by Wiley, at a cost-based fee agreed to by both parties.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Licensee Agreement, which shall survive any termination of the Agreement.

**Pricing:**

Online Book one-time purchase pricing will be calculated based on the US list price at the time of purchase of the hardcover version of each title selected. The Licensee must initially select a minimum of titles. Titles may be subsequently added in any amounts by either contacting the appropriate Account Manager or by adding titles electronically via the Licensee's customer administration page.

Discount may be applicable based on Licensee's FTE count. For this purpose FTEs are defined as full-time equivalent students and academic faculty

**Licensee's FTE Count: 34,733**

Titles licensed are listed with prices in the attached spreadsheet as Appendix G(a) 1

Author	Title	2007 List price	INVOICE
Meister	Advances in Enzymology & Related Areas of Molecular Biology V 044	\$ 155.00
