

APPENDIX H – LICENSED ELECTRONIC DATABASES

California Digital Library

Licensed Electronic Databases are the electronic (online) editions of Wiley’s databases to which the Licensee has access under this License (the Edition(s)). They may include tables of content, abstracts, full text and illustrations, data tables and any additional content not included in the print versions of the databases, including but not limited to search and retrieval tools, software and functionality. Databases will be updated regularly.

An Annual Subscription will give the Licensee access to the Database Edition that is available at the time of purchase for twelve months, plus any content added or updated during the Term of the subscription. The Licensee must continue to subscribe each year in order to retain access.

Pricing:

Database pricing may be calculated based on the Licensee’s number of FTEs. For this purpose FTEs are defined as full-time equivalent students and academic faculty.
