

**APPENDIX C – LICENSED ELECTRONIC MAJOR REFERENCE WORKS –  
One-Time Purchase – Amendment 7**

Licensed Electronic Major Reference Works (eMRW) are the electronic (online) editions of Wiley’s major reference works to which the Licensee has access under this License (the Edition(s)). They may include tables of content, abstracts, full text and illustrations, data tables and additional content not included in the print versions of the major reference works.

A One-Time Purchase will entitle the Licensee to the eMRW Edition that is available at the time of purchase. It will also include access to all material added or updated during the current calendar year. At the end of the current calendar year, the Licensee will have the option of purchasing Annual Updates for the purchased Edition(s) should they become available.

**Archiving Rights:**

Wiley will provide the Licensee with access to the full text of the Licensed Electronic Major Reference Works. Wiley, in its discretion, will either continue online access to the same material on Wiley’s server or provide an archival copy in the electronic medium selected by Wiley, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Licensee Agreement, which shall survive any termination of the Agreement.

**Pricing:**

eMRW pricing will be calculated based on the Licensee’s number of FTEs. For this purpose FTEs are defined as full-time equivalent students and academic faculty.
