This page contains a diagram depicting the University of California Libraries Advisory Structure. The diagram outlines the reporting and communication lines among various groups and teams, including the Council of University Librarians (CoUL), Administrative Services Advisory Group (ASAG), Project Teams, Shared Service Teams, Leadership Groups (LGs), Common Knowledge Groups (CKGs), California Digital Library Project Teams, and California Digital Library Shared Service Teams.
### University of California Libraries Advisory Structure

#### Council of University Librarians (CoUL)

**CoUL** = **10 Campus ULs + CDL AVP/ED + CoUL Planning Lead** - Provides collaborative leadership, vision, and strategic planning that enables the UC Libraries to develop innovative services, strategies, and technological systems.

#### Administrative Services Advisory Group (ASAG)

**ASAG** = **10 Campuses** - Advises CoUL on matters related to human resources, business, and space planning.

#### Direction & Oversight Committee (DOC)

**DOC** = **10 Campuses + CDL + CoUL Planning Lead + Past CoUL Chair + LAUC Rep** - Carries out priorities, policies and projects established by CoUL. Membership is at the AUL/DUL/senior staff level.

#### Leadership Groups (LG)

**LG** = **Membership determined case-by-case** - Charged to provide systemwide guidance, coordination, communication, and decision-making related to defined area of operations. Current LGs include Shared Content Leadership Group and SILS Leadership Group.

#### California Digital Library (CDL)

**CDL** - Partners with UC Libraries in developing and maintaining shared services and collections; unit within the UC Office of the President.

#### Project Teams

**Project Teams = 1+ Campus(es) and/or CDL** - Performs one-time projects with specific outcomes and end dates; may be charged by and report to CoUL, DOC, LG or CDL.

#### Shared Service Teams

**Shared Service Teams = 1+ Campus(es) and/or CDL** - Delivers a shared service for the UC Libraries on an ongoing basis; may be charged by and report to CoUL, DOC, LG or CDL.

#### UCLA Affiliates

**UCLA Affiliates** – Autonomous and/or self-organized groups that communicate with and/or provide services to UC Libraries.

#### Common Knowledge Groups (CKG)

**CKGs = 2+ Campuses and/or CDL** - Self-organized standing groups of experts or pioneers in areas of interest to the UC Libraries.

#### University-wide Constituencies

**University-wide Constituencies** - Includes all components of UC Libraries Systemwide Planning & Consultative Structure.
